The Family Resource Center's Call to Action!

We here at the FRC continue to avidly spread our message of support and intervention in an attempt to transform the lives of countless children and teens with social, learning disabilities, and behavioral difficulties. Our eager summer outreach students are working hand in hand with our Director Carrie Goldberg, our facilitators, and our board of directors. They are dedicating themselves to organizing events and weekly programs for the community, including athletics events and barbecues, as well as increasing traffic to our social media pages (i.e. Facebook, Twitter etc.) However this is by no means an easy task. We are confident that with YOUR help we will not only reach our goals, but exponentially exceed them. This call to action is our way of challenging you, our dedicated supporters, to help us expand our efforts to broaden the reach of our services.

We want YOU to get involved!

Exposure is the key to developing the reach and effectiveness of any non-profit organization. We are asking our generous devotees to take action in one of three ways:

- ✓ Like our Facebook page and follow us on twitter for important information and exciting FRC news including upcoming events and contest giveaways.
- ✓ Offer your creative fundraising ideas or helps us connect with potential sponsors in your network! As a registered charity, tax receipts will be given!
- ✓ Lastly, we call upon YOU or someone you know, to join our new volunteer program!

In case you missed it...

Our annual general meeting which took place on June 16th was a huge success. With 30 people present, including our staff and board members, we discussed in great detail the many successes of the past year and our ambitious vision for the future

INTERESTED IN TAKING ACTION THROUGH ANY OF OUR THREE NEW INITIATIVES?

"I would like to thank the Queen of Angels Academy Foundation for donating a generous \$20,000 to the Family Resource Center. On behalf of all the families, I am truly grateful."

– Carrie Goldberg,
Executive Director

Have ideas? We want to make them a reality!

We would love to collaborate with you in organizing a fundraiser at your school or local park; We like out-of-the-box thinkers! If planning isn't your strength, you can help us connect with companies in your network who can help us in many ways: monetary donation, donating supplies, promotional material, gifts/prizes etc.

There is a way for everyone to get involved and we need all the help we can get!

The excitement of being a volunteer at the FRC!

Volunteering your time is always rewarding and a great way to get involved in the community. If you are still a student, getting involved can be a great way to complete your community service hours or help build your resume.

As one of our volunteers, you could be responsible for animating activities at community events (barbecues, charity walks, athletic events, family days etc), executing general office tasks, or even designing promotional flyers.

Our only requirement is that you be dedicated to the FRC mission and passionate about our cause. If you like working with kids and teens, are willing to learn and have fun, and able to work independently and in a team, **WE WANT TO HEAR FROM YOU!**
